

# V.A.S.T.

## VICTIMS AGAINST SCAMS TEAM

Volunteers Against Scams Team (VAST) educates the public on topics from “Identify Theft” and “preventing the public from being victimized by one of the many scams that are aimed mostly against the senior retirees in our communities”. In addition to the Identity Theft Presentation, there will be a discussion on the steps available to residents who have been victimized previously by financial crimes and scams from being targeted again.

To educate the citizens of Palm Beach County on topics related to financial crimes. We discuss many of the current scams because a more educated public becomes a smarter public and hopefully will be able to resist the “too good to be true” schemes.

***A very informative presentation will be held by V.A.S.T. on July 13, 2026 from 10-11 a.m. by the pool side event room of The Mayfair House Ocean Condominium (3590 S. Ocean Blvd.)***

***Conversation with a Deputy will be in attendance providing free donuts and coffee.***
