TOWN OF SOUTH PALM BEACH, FLORIDA
ADDENDUM #1

**PURCHASE AND INSTALLATION OF SOLAR LIGHTING
ITB NO. 7-2-2021**

This addendum is hereby incorporated into the solicitation documents of the project referenced above. The following items are clarifications, corrections, additions, deletions and/or revisions to and shall take precedence over the original documents. Additions are indicated by underlining, deletions are indicated by ~~striketrough~~.

Question and Answer No. 1:

Question: The Project Manual on pages 11 and 75-77 show the process and allowance for approved equals. Page 137 in the next to last paragraph in bold states “No other substitutes or equals.....” Would you please clarify which one to be correct and what the City of South Palm Beach will be holding to.

Answer: The Supplementary Conditions, paragraph 3 (on page 116 of the ITB) provide the following:

SC-6.05 Substitutes and “Or-Equals”: **PRODUCTS: The only acceptable product is the make and model of the bollard described in the specifications. The Owner will not be evaluating or accepting any “substitutions” or any “or-equals.”**

Further, the Bid Specifications for the Bollard Lighting (on page 137 of the ITB) provide the following:

Bollards shall be First Light Technologies Solar Powered LED Bollards, PLB Amber Series. No other substitutes or “or-equals” will be considered.

As such, the Town will not be evaluating or accepting any substitutions or any “or-equals.” The only product the Town is accepting is the make and model of the bollard described in the specifications.

The Proposer shall acknowledge receipt of this addendum by completing the acknowledgment information below and including this addendum in the bid submittal.
