The Town Manager will consider each qualifications submitted to the maximum extent practicable and will consider all listed evaluation criteria. The Town will award the contract(s) to the most qualified and responsible firm(s) possessing the ability to perform successfully under the terms and conditions of this RFQ and subject to fair and reasonable compensation (discussed only during the negotiations).

- A. Certification of Qualified Firm.** The Town Manager will evaluate and determine which firms are qualified to provide the requested services consistent with the qualification evaluation criteria. The qualification evaluation criteria follow: Capabilities of the firm; adequacy of personnel; past record of performance; experience of the firm; licensing/certifications of firm; and whether the firm is a certified minority business enterprise (not required). The firm must be a properly licensed business in

the State of Florida and have a professional planner licensed in the State of Florida on staff.

- B. Competitive Selection.** Once the Town Manager determines which firms are qualified, she/it shall rank the qualifications based on the competitive negotiations evaluation criteria and make a recommendation of the top firm to the Town Council for each work discipline. If the Town Manager determine that the solicitation has not generated adequate competition for any particular work discipline, it may choose to not move forward with the evaluation. The competitive negotiations evaluation criteria follow:

<b>Criteria</b>	<b>Max Points</b>
Ability and experience of firm and professional personnel	35 points
Successful past performance for similar projects	30 points
Willingness and ability to meet time and budget requirements	15 points
Approach to Services	10 points
Terminations and/or litigation	5 points
Minority Business Enterprise (not required)	5 points
<b>MAXIMUM POINTS</b>	<b>100 POINTS</b>

The selection process consists of evaluation and scoring by the Town Manager and the ranking of up to the top three (3) firms for each work discipline. Each category will be scored and when the scores awarded for all categories are totaled, the scores will be tabulated and added to achieve the total points awarded to each firm. The total points will be used to rank each firm 1, 2, 3, 4, etc.

If desired, the Town Manager may require presentations by the top three firms for each of the work disciplines. The ranking of up to the top three firms for each work discipline shall be presented to and approved by the Town Council at a duly noticed public meeting. It is anticipated that the Town Council will award the RFQ to the firms that submits the best overall qualifications(s), subject to the negotiation of fair and reasonable compensation. The Town, in its sole discretion, reserves the right to award one or more continuing contracts for each discipline advertised. The Town Council shall have the exclusive authority to select the best overall qualifications and make any determinations concerning the responsiveness of the firms, the value of their qualifications, the firms' respective abilities to satisfactorily perform the work specified in the Town's RFQ, and all other related matters.

- C. Negotiations.** After the Town Council has approved the ranking of the top firms for each discipline, the Town Manager may negotiate a contract with each of the highest ranked firms for professional services at compensation determined to be fair, competitive and reasonable. The terms and conditions of the resulting contract will be negotiated with the successful firm. If the Town and a successful firm cannot agree on the terms and conditions of the resulting contract or fees, the Town reserves the right to terminate negotiations with said successful firm and move to the next ranked firm to commence negotiations. Negotiations may continue in this process until the Town is able to enter into a contract(s) with the firm(s) that best meets the needs of the Town. The resulting contracts shall be continuing contracts with a provision for termination without cause. Such contracts shall be in compliance with all applicable laws, ordinances, policies, rules

and regulations. The contract shall include hourly rates for personnel and allowable costs and expenses.
